Figure 1: A detailed phylogenetic tree showing the relationships between 90 Japanese individuals. The tree is rooted at the top left and branches out to the right. Each individual is represented by a number (1-90) and their name in Japanese, followed by their affiliation in parentheses. The tree is divided into several major clades, with some individuals having multiple affiliations. The tree is labeled with numbers 1 through 90, corresponding to the individuals listed on the right. The tree is rooted at the top left and branches out to the right. Each individual is represented by a number (1-90) and their name in Japanese, followed by their affiliation in parentheses. The tree is divided into several major clades, with some individuals having multiple affiliations.
